GEN. HALLER'S ARMY.—A correspondent writing from Corinth under date of June 15th says that a highly important special order has just been issued by General Haller, by which the order uniting the three corps engaged in the investment of Corinth, namely, the army of the Mississippi, under General Pope, the army of the Ohio, under Gen. Buell, and the army of W. & Tennessee, under General Grant, in a grand review, is revoked. Henceforth they will operate again independently of each other. Gen. Grant reassumes command of the army of W. & Tennessee, without any control over the two other corps; General Thomas's old division, however, continues to form the former. The two divisions constituting the reserve, under the command of General McClellan, are likewise to be now considered as independent, so that it is Thomas, Harlan's, Davis', & T. S. Sherman, McKenna's, Wallace's, and McClellan's.

The order in question has been followed by others showing that it was to prepare the way for a disposition of the army on a more extended line. Immediately after his return from the pursuit, Gen. Buell was directed to prepare his corps for a march into Northern Alabama, and, accordingly, the four divisions of Generals McCook, Crittenden, Nelson, and Wood, have been moving along the Memphis and Charleston road since day before yesterday. Their advance is reported to have reached Tuscaloosa last evening.

Gen. Pope's command, it appears, will hold its present position, along the Mobile and Ohio railroad, for some time.

Four divisions of the army of the Tennessee have been moved in the direction of Memphis over various roads, the last days. Gen. Sherman, at last accounts, at Lagrange, 110 miles west of Guntersville, Wallace's, a short distance north of it, near Summerville, and McClellan's at Jackson.

The three other divisions of the army of W. & Tennessee—Thomas, Davis, and McClellan's have been constituted a garrison corps for the occupation of this place, under the command of Gen. Thomas.

It is manifestly the intention of Gen. Haller to discontinue further offensive operations against the enemy; give the army rest during the heat, and establish in the meantime a new basis of operations by securing the Memphis and Charleston and other railroads now in our possession. Gen. Buell's army will, doubtlessly, be distributed as to hold the M. & C. R. R. from the Alabama line to Chattanooga, and Gen. Grant's from the line to Memphis, while Gen. Pope's will be held available for any emergency between our line and that of the enemy.

ARRESTS IN TENNESSEE.—The Nashville Union learns that a detachment of Pennsylvania cavalry went up into Sumner county, where some rebels were raising recruits for guerrilla service, and seized eight men and four excellent horses as they were crossing the river. The captives were brought to Nashville on Sunday.

The Union also states that the notorious Rev. C. D. Elliott, a literary quack from Ohio, who has been keeping a sort of boarding school for young ladies in Nashville, and for some time past a red-mouthed rebel, was arrested and sent to the Penitentiary on Monday for treason to be sent South. Last winter at prayer-meeting, in one of the great halls of the city, he uttered threats of anarchy to within the hollers of the walls of the South with the bones of the men who fought to preserve the Union! The Union thinks he ought to be dressed in piebald breeches and set to pickling rock. We have already stated that Dr. Chastain, Superintendent of the State Lunatic Asylum, was arrested on the same charge and sent to the Penitentiary. He will be shipped to Dixie.

MERR CURRAN.—An increased coinage of cents has taken place at Philadelphia during the past month, amounting to \$10,000, and this coinage, being double the usual monthly amount, will continue for a considerable period longer. The mint issues at any time to give cents for United States demand notes. It will now receive \$500,000, in cents, sent from New York, in gold dollars, for the convenience of this Government. A large amount of gold and silver is expected during the coming three months from the mines of California, Colorado, and Washee, and in less than a month the heavy premium now charged for specie will be materially reduced.

REBEL PENSIONERS CUT OFF.—A desperate dated Washington, June 30th, says the pension cut off by the bill in the Senate were stopped because the ladies drawing them were avowed secessionists. A pension was granted to the widow of the late Major General Chas. F. Smith, of Paducah, of \$50 per month. This is more than customary.

THE agent of the Emigrants' Aid Society at Cincinnati has written to this city making inquiry in reference to the sum of twenty-two dollars which was sent to this city for Wm. Leitz, of Co. K, Second Kentucky Regiment. It is supposed to be in the hands of the State agent. The money was intended for Mrs. Leitz, who resides in Cincinnati.

AT a meeting of retailers at the Pheonix Saloon last evening, it was resolved to memorialize the Councils to authorize on sum of one hundred thousand dollars a five, ten, twenty-five, and fifty cent scrip, to be used as change. There will be another meeting at the Pheonix on Thursday evening at 8 o'clock.

THEATRE.—Miss Florence Luford makes her first appearance in this city evening, performing alone, in the rôle of the Ross of Killarney. There is a romance about Miss Luford: young, beautiful, and rich, she has adopted the stage from a passionate love of the drama. Of course only will be excited to see her.

PROF. WHITFIELD.—We are gratified to learn that the pupils of this popular teacher of singing have it in contemplation to give him a complimentary concert at the Mozart Hall, as soon as the beautiful repairs of the hall are completed. It will be a compliment handsomely tendered and richly deserved.

WE learn from the New Albany Ledger that Mrs. Heden, an old and highly esteemed resident of that city, while engaged in sewing yesterday morning, dropped dead from her seat. She was one of the oldest residents of New Albany, and universally esteemed.

RECRUITING IN NEW ORLEANS.—Information has been received in Albany, Maine, that the Twelfth Maine Regiment, now in New Orleans, is being filled up by recruits residing in that city. The troops are effective men, but mostly foreigners.

TRAIN will leave the Frankfort depot for the Fair Grounds every fifteen minutes on the Fourth of July. As the crowd attending the celebration will be immense, and as vehicles will be scarce, the public should avail themselves of the railroad.

THE bridge over Beargrass, on the Brownlow's turnpike, is ready in need of repairs. As the Brownlow's road will be thronged with vehicles on the Fourth, the bridge should be placed in good condition at once.

SEVENTH hundred Federal, who were taken by the rebels in the battle of Shiloh and subsequently released, passed through this city on route for Cairo yesterday. They took passage on the steamer Atlanta.

AT the recent commencement of Princeton College the name of Jeff Davis, was by a unanimous vote struck from the rolls of the Gleeponian Society.

A detachment from Savage Station, Virginia, under date of June 27th, announces the death of Col. S. W. Black and Mrs. J. B. Swettier, of Pennsylvania.

The new mail contract between this city and Henderson have abandoned the contract, and the old contractors have engaged to perform the service.

The hospital steamer Lancaster No. 4 passed up from Tennessee river yesterday for Cincinnati, with two hundred and forty sick Ohio troops on board.

Mr. Curran Pope acknowledges the receipt of a box of hospital stores from Mrs. L. B. Walker, of Glendale, Ky.

SICK SOLDIERS.—The steamer City of Louisville arrived at Portland yesterday with nearly four hundred sick soldiers. She is a regular hospital steamer, and is owned by Dr. John W. Ward.

The hospital department is under the command of Dr. Henry C. Marshall, Assistant Surgeon of the 37th regiment Illinois volunteers. The Louisianians made the trip from Paducah to Portland in thirty-two hours. She will leave again for Pittsburg Landing this morning.
